

Dear Students and Arbitrators,

It gives us great pleasure to invite you to the 2<sup>nd</sup> ICC/KLRCA Pre-Moot for the Willem C. Vis International Commercial Arbitration Moot which will take place in Kuala Lumpur from 2-4 March 2018.

Due to the success of the 1<sup>st</sup> ICC-KLRCA Pre-Moot in March 2017, 57 teams from more than 15 countries have already confirmed their participation in the upcoming edition of the Pre-Moot (Afghanistan, Australia, Brazil, Cambodia, China, Germany, India, Indonesia, Japan, Malaysia, Philippines, South Korea, Sri Lanka, United States of America, and Vietnam, among others). To become even more diverse and attractive, we are expanding the list of our supporting organisations, sponsors and prizes, as well as organising multiple educational and social events. We are also making our calendar of hearings more comfortable for students and arbitrators.

Please note that the 2<sup>nd</sup> ICC-KLRCA Pre-Moot will be preceded by the *AIAC YPG Conference for Students and Young Practitioners* on 1-2 March 2018. Attendance is free of charge and the stipend for participants of the Pre-Moot may cover accommodation on the day of the Conference.

For more details, we kindly refer you to the Handbook which will be constantly updated and is available at: [bit.ly/klpremoot](http://bit.ly/klpremoot).

We encourage you to share this unique educational and cultural experience with us! To secure your participation, register before 31 January 2018. For enquiries on the 2<sup>nd</sup> Pre-Moot, please email [pre-moot@klrca.org](mailto:pre-moot@klrca.org); for enquires on the AIAC YPG Conference, email [ypg@klrca.org](mailto:ypg@klrca.org).

We look forward to meeting you personally in beautiful Kuala Lumpur and to enjoy with you one of the largest and most ambitious arbitration events in Asia.

*\*A new brand identity will be unveiled to mark KLRCA's upcoming 40<sup>th</sup> anniversary. From 2018 onwards, the Centre will be known as the Asian International Arbitration Centre (AIAC). Additional information regarding the Centre's transformation will be available through all our communication channels and in all our events in the near future.*

Best regards,
