SCC SEMINAR: Innovative procedures in the 2017 SCC Arbitration Rules: Costs and time-savings mechanisms

Consulate General of Sweden
in St. Petersburg
12 September 2017

ABOUT THE CONFERENCE

On 1 January 2017 a new version of the SCC Arbitration Rules entered into force. While maintaining continuity of what could be described as the essence of an SCC arbitration, the new SCC Arbitration Rules introduce a number of noteworthy innovations aimed at efficiency of arbitral proceedings, including summary procedure, joinder of third parties and handling of multiple claims in a single arbitration. The purpose of this seminar is to discuss these cost and time saving mechanisms that can make arbitration more user-friendly.

The seminar will conclude with a St. Petersburg premier of the film "The Quiet Triumph: How Arbitration Changed the World".

The seminar is free of charge.
