

STATISTICS 2014

2014 proved to be another strong year for the SCC with 183 administered cases which is the fifth highest result ever since the SCC was founded in 1917.

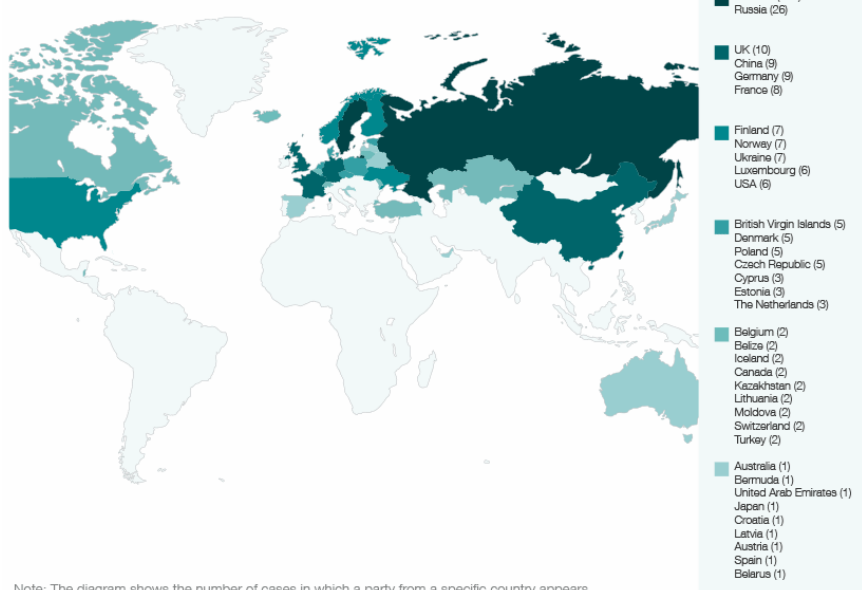

Out of the 183 cases, 49 % (89) were Swedish and 51 % (94) international which clearly evidence the strong position of the SCC as a preferred venue for dispute resolution among both the Swedish and the international business community.

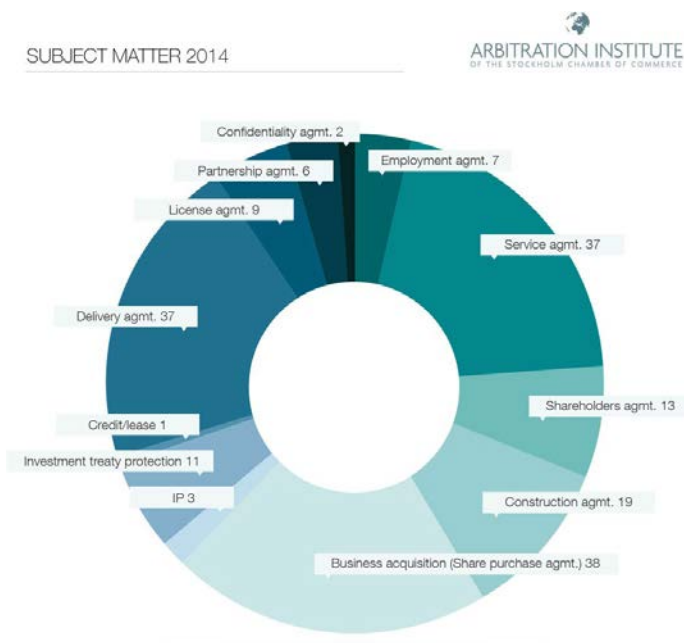

Of the 2014 caseload, 62 % (114) were administered under the SCC Rules and 27 % (49) were administered under the SCC Rules for Expedited Arbitrations. During 2014, the SCC also administered 5 mediations and 4 Emergency Arbitrator proceedings. Parties also requested SCC's administrative services as appointing authority (5) in ad-hoc arbitrations and under the UNCITRAL Arbitration Rules (6).

NATIONALITY OF THE PARTIES 2014

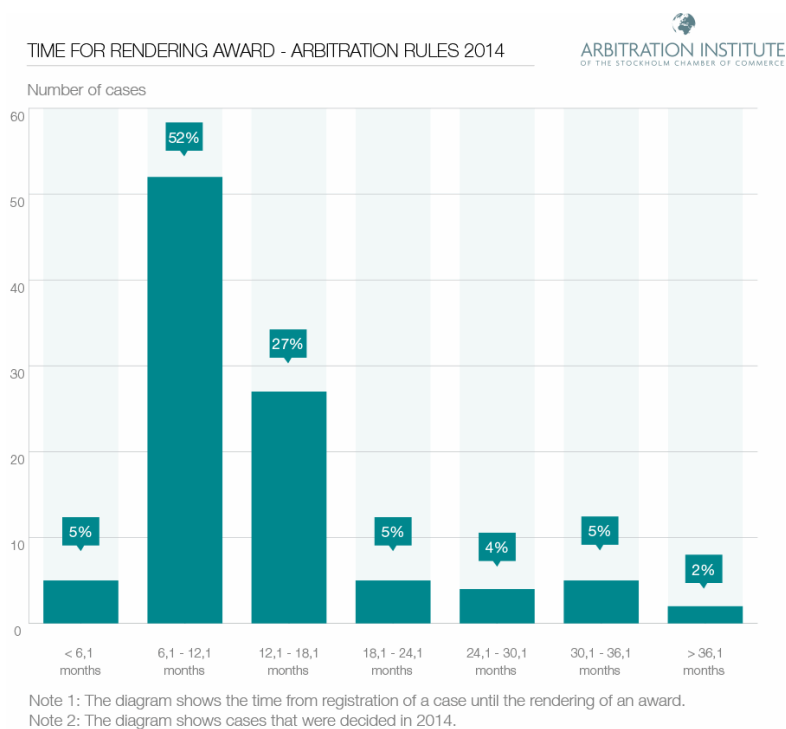

Parties from 36 different countries chose to resolve their disputes with the SCC in 2014. Swedish parties continued to appear most frequently in SCC cases. Of the international parties, Russia, England, China, Germany and France were the most frequent nationalities to appear before the SCC.

SUBJECT MATTER 2014

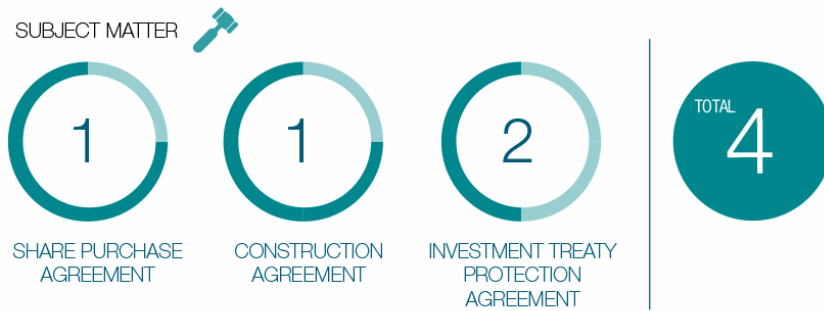

During 2014, the SCC administered disputes stemming from a range of different sectors. Most frequently parties brought disputes arising out of share purchase agreements, service agreements, delivery agreements and construction agreements.

For the majority of cases administered under the SCC Rules, it took between 6-12 months from the time of registration of a case until the rendering of an award.

For 60 % of the cases administered under the SCC Rules for Expedited Arbitrations an award was rendered within 3-6 months.

TIME FOR APPOINTMENT 

TIME FOR EA DECISION SINCE REFERRAL 

If a decision on interim measures is needed to provisionally ensure a party's claim, before the commencement of an arbitration, the party may apply to the SCC for the appointment of an Emergency Arbitrator in accordance with the SCC Rules.

Four emergency arbitrator proceedings were commenced at the SCC in 2014. Two investor treaty protection agreements, a share purchase agreement and a construction agreement, respectively, formed the basis of the request for interim measures.
