

SCC RULES REVISION 2017

18 MAY

SHANGHAI

**We invite you to meet with representatives of the
SCC Rules Revision Committee to discuss the ongoing
revision of the SCC Rules**

* * *

The SCC continues to strengthen and innovate its procedures by making a comprehensive revision of its rules. In September 2014, the SCC Board appointed a Committee, chaired by Jakob Ragnwaldh (Mannheimer Swartling), with the task to revise the SCC Rules. The work of the Committee has resulted in a proposal for revised Arbitration Rules and revised Rules for Expedited Arbitrations. The proposal is available [HERE](#)

Please join us for a presentation and discussion of the proposed changes to the arbitration rules of the SCC. Topics that will be addressed include:

- summary procedure
- multi-party/multi-contract disputes
- investment treaty arbitration; and
- making the expedited procedure even more efficient

The discussion will be led by the chairman of the Rules Revision Committee **Jakob Ragnwaldh** (Mannheimer Swartling), together with the SCC Deputy Secretary General **Kristin Campbell-Wilson**.
